

Wingboards Range

Available with 1 wing or 2 wings

Magnetic folding wingboards are perfect for areas that are tight on space. One whiteboard is fixed to the wall while the hinged wing(s) fold out or close up against the wall mounted whiteboard.

- Sizes are measured with the wing(s) closed
- Smudge free aluminum frames
- One wing version can open to the left or to the right
- Two wing version open centrally
- Mini wing (1 foot wide) available
- Discreet magnets keep the wing in place when closed
- Choose from 5 standard sizes
- Special sizes and configurations available through customer service
- Includes all hardware and instructions for wall mounting
- Manufactured in the USA
