

Featuring nine authors – all experienced lawyers, appraisers, brokers and consultants – including Larry Hirsh who has performed appraisal and consulting assignments on more than 2,500 golf properties.

BUY RIGHT. SELL SMART.

New Electronic Book Release: *How to Buy and Sell a Golf Course*

This useful guide provides key insights every owner should know in preparation for a successful golf course transaction:

- 10 questions every buyer and seller should ask
- Facility and operations documents to maintain
- Creating the foundation to a balanced transaction
- Determining the value of a property
- Expediting a sale
- Purchase agreements from buyer and seller perspectives

Checklists and reference points included!

"The valuation process requires knowledge, experience and understanding of the market to develop data into meaningful value conclusions. The outline provided in this guide will assist in developing an understanding of what is involved in a credible golf property appraisal and what elements are required."
