

# FARM EXPLORER FOOD FESTIVAL

*A benefit for Greener Partners*

**Saturday, September 24, 2022 • 6:30 - 11pm**

**Radnor Hunt • 826 Providence Road, Malvern, Pennsylvania**

## CORPORATE SPONSORSHIP

**Your Corporate Sponsorship will support urban farming, fresh food access, and seed-to-plate education for thousands of youth and families experiencing food insecurity.**

### THE FARM EXPLORER FOOD FESTIVAL

A perennial sellout, Greener Partners' benefit attracts hundreds of corporate and community leaders from the greater Philadelphia area.

This event showcases the tastes and flavors of local food & drink artisans in a beautiful, outdoor Farmers' Market setting at Radnor Hunt. The evening culminates with dancing and dessert. All proceeds support Greener Partners' vital fresh food access and education initiatives.

After a 2 year hiatus due to the pandemic, we anticipate our greatest celebration yet!

### ABOUT GREENER PARTNERS

Our mission is to strengthen community health through urban farming, equitable fresh food access, and discovery-based learning. We bring our seed-to-plate programs to schools and hospitals, linking fruits & vegetables and health for over 10,000 people annually.

### THE FARM EXPLORER

The Farm Explorer is a mobile farm that brings seed-to-plate education to schools and hospitals and sparks excitement in healthy eating as participants dig into living soil, smell herbs, pick berries, and taste freshly-harvested vegetables. Kids who experience the Farm Explorer develop a preference for fruits and vegetables, helping to establish lasting healthy eating habits.
