Spring 2024

Dear Library Friend,

SPRING has sprung and please wind your way through our new *Pollinator Rain Garden* that will have many new native plant editions as the weather warms. Thanks to your generous donations and terrific suggestions, we have been able to offer many new (and sought after) library programs including: *Lecture Series*, a *Seed Library* and gardening workshops, *Lessons in Cooking*, *Tech Tutoring*, and of course, all your favorite children's programs including tween makers!

Fundraising, fundraising, fundraising is essential to keeping our library open...

Therefore, we are excited to participate in **Delco Gives Day**.

Simply put, every dollar donated beginning **April 1st through May 9th**, will not only go directly towards our library's fundraising goal, it will also be counted in kind towards the Delco Gives participant fund. *The more individual donations received, the larger the share of Delco Gives fund dollars will be allotted to Media-UP Free Library! Your donations will count more than ever!*

The Library Board of Trustees and Staff are dedicated to being careful stewards of your generous donations.

Your donations enable us to improve our services and equally as important, to greatly strengthen our community. A donation remittance envelope is enclosed for your convenience or you can make a secure donation online:

You can join our E-Newsletter mailing list to stay current with upcoming events. And please, tell us, *what is your library story?* We'd love to hear and share it too.

Thank you for donating!

With gratitude for your ongoing support.

Nancy Mott

Library Director

Also, thanks to you our *Library Storybook* is growing, and we loved this recent Media-UP Library Story:

"My father brought me to the Media Upper Providence Library all the time when I was young. Reading was important to him, and it gave us a chance to get outside for a walk, and build a love of books. We would come every weekend and it is one of my favorite memories with my dad. The books, the smell, the calmness of the library is a core memory for me of being with my dad. I recently brought my daughter to get her first library card at the Media Library in hopes of instilling the same love of books and time spent together as she grows."

We invite you to add your memorable **Library Story** here:

Mark your calendars!

Join Us at the Library for our Upcoming Fundraising Events:

Spring Book Sale is
Saturday, April 13th, and
Sunday, April 14th, 9:30am – 4:30pm
