Fall 2026

Dear Library Friend,

Your support is helping the **Media-Upper Providence Free Library** create more opportunities for our community to connect, learn, and thrive.

Because of generous donors like you, we have expanded adult programs focused on movement and wellness, strengthened our offerings for teens, welcomed more teen and adult volunteers, and introduced music programming through the **Media Merry Musicians**—bringing community members together through creativity and shared experience.

Now, we're investing in our youngest community members.

This fall, we are listening to families through our *Children's Program Feedback Survey* and using their feedback to strengthen our children's programs. We are expanding reading incentives, parent involvement, and volunteer opportunities, while reevaluating our children's collection to create a more **dynamic, targeted, and diverse selection** that inspires curiosity and supports children as they grow.

Will you help us turn these plans into progress?

Your gift—whether \$25, \$100, \$500, or whatever amount is meaningful to you—helps provide the programs, collections, and welcoming spaces that make the Library a vital part of our community.

Give Today. Help Build Tomorrow.

Your check donation is greatly appreciated or give online using the QR code provided.

As we look toward **2027**, we are building an even stronger foundation for the future—one where every child and adult has opportunities to **read, explore, learn, connect, and thrive.**

Your generosity makes that future possible.

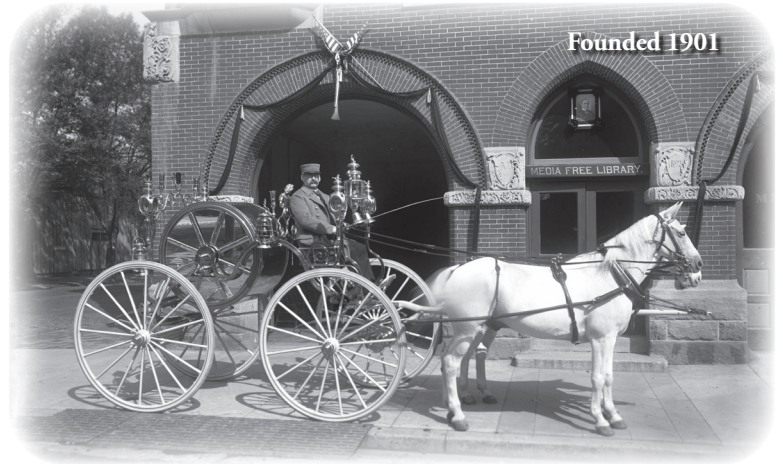

With gratitude,

Nancy Mott
President, Board of Trustees

Library Director
