COMMUNITY YMCA
OF EASTERN DELAWARE COUNTY

2020-2021 COMMUNITY IMPACT DURING COVID-19
Here for YOU during a time of need.

BECAUSE OF YOU, we’ve been able to support and bring together community members, children, and families safely when they need us the most.

Over the past year, you have recognized our need, and STAYED WITH THEY Y. Your continued support makes it possible each day to make a tremendous impact right here in our Delaware County community.

THANK YOU
for your continued support, friendship, and dedication to the Community Y!

175,000+
pounds of nutritious, fresh groceries and school meal kits given to local families through Sharing Excess, Blessings of Hope & the Archdiocese of Philadelphia.
We coordinated 7 Fill the Truck/Bus events, and donated nearly 2,400 pounds of food to Loaves and Fishes Food Pantry.

1300+
kids attended our Summer Camps, School Age Programs, and Child Care. We helped them keep up with vital education and enrichment activities, while parents could return to work.
We converted our gymnasiums, racquetball courts, exercise studios, and multi-purpose rooms into classrooms so 400 kids can complete their schoolwork.

1,200+
members participated in Adult Group Exercise classes. We provided socially-distanced, in-person classes, and hundreds of virtual live and on-demand programs to help keep our community fit and healthy, in both body and mind, during this difficult time.
We re-opened as soon as safely possible, and welcomed back 900 senior citizens. After sheltering in place for several months, they were thankful to return, to reunite with their friends, and to enjoy daily exercise and socialization.

During quarantine, our Child Care staff read the kids’ favorite books during virtual story time each and every day, much to the children’s delight.
