The Lansdowne Y S'cool Kids Club Inclement Weather Reminder

We follow the Upper Darby School District Closing (#452)

- **If Upper Darby School District announces closure** due to weather, all Lansdowne Y S'cool Kids Club programs will be closed.
- **If the school district your child attends closes early for weather** or other emergencies, the Y S'cool Kids Club Program will be **CLOSED**. You are required to pick your child up directly from their elementary school. **YMCA staff will not be on site for early weather or emergency closures.**
- As long as Upper Darby School District is open: If the school your child attends **opens 1 to 2 hours late**, the morning school age program will be cancelled for that day. The Afterschool program will open as scheduled unless the school district closes the building.
- If the Upper Darby School district decides to close **after they have already issued a late opening**, all Y S'cool Kids Club programs will also closed.
