SMILES, SUN, AND
SUMMER FUN!

WELCOME TO YMCA SUMMER CAMP

YMCA Summer Camps give your camper an experience that will last a lifetime. Summer campers are able to explore creativity, teamwork and leadership in a wide range of activities that lead to lifelong healthy living. Summer camp builds self-confidence, self-esteem and develops character values, all while making friends, achieving something new and having a place to belong.

Parents, caregivers and guardians are every Y's partner in making summer camp an outstanding developmental experience for their kids. In order for our campers to get the most out of day camp, we need your help. Knowing that no two campers are exactly alike, we ask that you help us get to know your camper. We encourage you to share with us your ideas, thoughts and any concerns that may help us create an environment that is best suited for your camper. Today, Y Summer Camp is more vital than ever. With an increased emphasis on camper safety, personal values and social skills, we want the very best for your child. At the Y, we are committed to the development and well-being of your campers. The YMCA of Eastern Delaware County is an organization open to all people.

ABOUT OUR STAFF

We model the YMCA character development values of caring, honesty, respect and responsibility. We program friendship, achievement and belonging into every activity in camp. Most importantly, we are made up of people who love working with kids. We are creative people with good hearts who are silly enough to sing "The Y Song" at the top of our lungs!

We are First Aid/CPR certified and are required to attend over 10 hours of training prior to the first day of Summer Camp. Our Camp Leaders attend approximately 8-10 hours of additional training. Trainings include topics like: Character Development, Problem Solving, Abuse Prevention, Supervision, First Aid Basics and much more.

MEDICATIONS

The permission to Administer Medication Form is required for any medication needed for a camper. Medications must be brought in the original container with physician's instructions. We will administer medication accordingly. It is helpful to store the medication in a ziplock bag with your child's name. Oral medication is locked up in the leader's office whereas your child's inhaler and/or epi pen will travel in your child's group daily in their counselors bag.

.....

INJURY/ILLNESS

Campers will be monitored throughout the day for any signs or symptoms of illness. If a camper is observed to possibly be ill or complains of illness that is not immediately explained by current conditions, Camp Leadership will be notified. If your camper becomes ill while at camp, we will contact you to pick him/her up.

If your camper is injured, we will take necessary steps to provide first aid. An Accident Report will be completed and given to you at pick-up. If we are unable to reach you in the event your camper needs further medical care, he/she will be transported to the hospital by ambulance.

.....

EMERGENCY SITUATIONS

All staff members are trained and certified in CPR and pediatric first aid and are always present in the event of an emergency. In all situations, we will follow instructions from the poison control center or physician in providing first aid procedures and/or administering emergency medications.

.....

HEALTH RECORDS

We comply with state regulations concerning health records. Camper health records must be filled out using the E-pact system. When you registered, you should have received an email invitation from our E-pact system to upload the required health information. If under the age of 12, must have an adult (18+) supervision (Camp Counselor) at all times from either in the water or from the pool deck.

Only swim in the shallow area of the pool

To receive a Yellow Band, swimmers must demonstrate the following skills:

Float on back for 30 seconds and regain vertical position on their own.

Swim half the length of the pool, on stomach, unassisted.

GREEN BAND – A green band allows swimmers to use entire pool (shallow and deep ends). Green Banded swimmers, under the age of 12, will be required to:

Have adult (18+) supervision (Camp Counselor) at all times from the pool deck.

Tread water for one minute with ears and face above water at all times.

Exit the pool without assistance.

Safety Note:

If at any point your child is seen wearing a yellow wristband and shows signs of fatigue or difficulty staying afloat, our trained lifeguards will ask that they wear a life jacket for the remainder of the swimming session.

Additionally, green wristbands may also necessitate reassessment based on the lifeguards' observations.

CAMP SAFETY

Bathroom Procedures:

No camper is ever alone or one-on-one with a staff member. All campers will take trips to the bathroom with their camp group or at least two campers escorted by camp staff. Campers will only use bathrooms inspected for safety by camp staff.

Camper Lunch/Snack Time Space:

Most groups will use their designated camp space for lunch and snack times. Other common spaces may also be utilized.

Youth and staff will wash/sanitize hands before and after eating.

Staff may help open food but must:

- Ensure hands are cleaned and sanitized prior.
- Clean and sanitize hands before and after.

Field Trips:

Campers must wear YMCA Summer Camp shirts during field trips. These shirts will be handed out before the first scheduled trip, unless parents prefer to pick them up in advance before the camp season starts.

Key Points:

- Field trips will depart promptly at the times indicated in the weekly newsletters. If a camper misses the bus, we kindly ask that a parent or guardian drive them to the trip destination.
- Campers cannot be dropped off at the campsite without a camp leader present, as staff members will be off-site for the trip. This is to ensure the campers' safety and well-being.

Rainy Day/Excessive Heat Plan:

When weather conditions are prohibitive to operating camp outdoors, groups may be displaced from their assigned group locations. Each facility will have an alternate facility plan, indicating appropriate assigned group spaces.

Staff will reschedule activities for the affected time period to operate safely in a more limited space. This may necessitate less active recreation and more self-directed project-based activities.

Guests:

No unauthorized guests will be permitted to visit camp groups during the program day.

Summary:

At YMCA Camp, we want every camper to have the best experience possible – full of fun, learning and growth. We strive to create an environment in which every camper is supported to engage in behaviors that are safe and represent our core values of caring, honesty, respect and responsibility. We ask that parents and guardians partner with our staff to reinforce these expectations with campers. Assistance to identify and support positive behavior strategies that work for your child may be requested via a quick chat during pick up or drop off, a phone call or a meeting as needed. Behaviors that are severely or consistently unsafe or unkind may result in the camper being removed from the program, however our goal is to work together to support positive experiences for all.

We thank you for your time and attention to this important information. For any questions, suggestions or concerns, please reach out to the Camp Director at the specific site where your child is attending.
