Locker Room Repairs

Important Notice

Locker Room Repairs Beginning May 18

Dear Lansdowne YMCA Members,

We want to keep you informed of an upcoming facility repair project that will impact portions of our locker rooms.

Beginning Monday, May 18 at 6:00 AM, we will start the long overdue repairs to the toilets in both the Men's and Women's Locker Rooms.

During this time, please note the following:

- The entrance to the Women's Locker Room through the Family Locker Room will be closed for the duration of the repairs.**
- Sections of both locker rooms will be temporarily blocked off to allow our contractors to complete the work safely and efficiently.**
- Showers and the toilets located within the shower areas will remain available for use.**

We understand that this may cause some inconvenience and sincerely appreciate your patience and cooperation as we complete these important upgrades.

Barring any unforeseen complications, we anticipate the work will be completed by the evening of Thursday, May 21.

If you have any questions or need assistance during this time, please do not hesitate to speak with a member of our Lansdowne staff.

Thank you
