SPRINGFIELD SCHOOL AGE

Dear Kindergarten Families,

It has been such a joy watching your children grow academically, socially, and emotionally throughout the year. From the first day of school to now, they have built friendships, gained confidence, and created memories that will last a lifetime.

As we say goodbye to this school year, we celebrate all that your children have accomplished and look forward to the bright futures ahead of them. Wishing you and your family a happy, safe, and fun-filled summer!

We hope to see you at our summer camps, where we offer a variety of engaging experiences, including both small and large group activities, exciting trips, and swimming. It's a wonderful opportunity for children to continue building friendships and stay active!

Dear First Grade Families,

Can you believe the school year is almost over? Our first graders have put in great effort this year to make friendships, master their sight words, and learn how to read simple books, and we couldn't be prouder. Last month, we had a blast creating bouncy balls, 3D paper flowers, and airplanes made from straws and paper. In the upcoming month, we'll be crafting bird feeders and more as we wind down the school year!

Warm regards,
Kayla
